The tax authorized in this section shall be in addition to the charge for the sleeping room and all other taxes imposed by law, and shall be stated separately from all other charges and taxes.

2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall (insert the name of the city) impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels and motels situated in (name of city) at a rate of (insert rate of percent) percent for tourism purposes, including infrastructure improvements?

NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter following the calendar quarter in which the election was held. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters of the city and such question is approved by a majority of the qualified voters of the city voting on the question.

3. At least sixty-five percent of the revenue generated by the tax authorized in this section shall be used by the city solely for tourism purposes, and not more than thirty-five percent of the revenue generated may be used for infrastructure improvements. All revenue generated by the tax shall be deposited in a special trust fund and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city funds.

4. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

5. Whenever the governing body of any city that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax.
